

HLTAID001 Provide CPR

TCP TRAINING

COURSE DESCRIPTION

TCP Training offers different CPR courses suitable for all occupations and work places, including:

- Swim instructors
- Childcare workers
- Health specialists for CPD points
- Personal trainers
- New parents, families and carers
- Sports groups

LOCATION & DURATION

- Course location: Sydney CBD, Granville, Dee Why, Miranda & Campbelltown
- Course duration: 4 hours

YOUR COURSE

- Online Pre-study and assessment (for most courses)
- Theory training in the classroom,
- Practical training in the classroom
- Assessment for both knowledge and skills

YOUR ASSESSMENT

Students will be assessed from the pre-study (only for some courses) and classroom session. Assessment will confirm knowledge and skills have been achieved to demonstrate competency across the unit.

ENTRY REQUIREMENTS

There are no entry requirements for these courses.
